

# Delivering the Right Care to the Right Patient—Every Time

Zebra is your partner for Positive Patient Identification (PPID) wristband solutions at admissions

# 14%

of medical records include erroneous information tied to incorrect patient identification<sup>1</sup>

Zebra barcode wristbands, labels, and printers are purpose-built to reduce patient ID errors and streamline processes

**Zebra has it all—we're making PPID one-and-done easy!**

### Z-Band® UltraSoft Thermal Wristband

For use in direct thermal, ribbonless printers. Also available in individual band design

- Ultra-soft, flexible material
- Anti-microbial, latex and BPA-free, MRI-safe
- Hand sanitizer resistant—retains high-level scanability
- Antimicrobial coating—up to 6x more durable than leading competitor

### ZD510-HC Wristband Printing Solution

Easiest on market

- Insert wristband cartridge and print
- Healthcare compliant power supply, multiple connectivity options

Use Z-Band #10015355K

### ZD4x-HC Desktop Printer Series

2- and 4-inch options

- Direct thermal healthcare printers
- Disinfectant-ready & UV-ready housing, easy to clean
- Healthcare compliant power supply (IEC 60601-1), WiFi™ and Mifi certified

Suggested use Z-Band #100188569

**Compatible with most laser printers to meet all needs at admissions**

### LaserBand® 2 Advanced Wristbands

- Easy assembly and latex-free
- One-sheet design including wristband and labels
- Lay-flat fit to enable quick scanning with superior comfort
- Self-laminating seal protects wristband from moisture and hand-sanitizers

LB2-Family-Num  
LB2-Adult-L3

### Zebra Paper Laser Labels

- One-sheet 30 label design
- Hole-punched with adhesive-free zone around form and edges prevents printer jams and maintenance

I-V30

**Zebra Printers and Certified Wristband Supplies Work Together To Keep You Working Efficiently**

**Inconsistent supplies cost time and accuracy—Zebra supplies help avoid:**

- Printer jams
- Poor readability
- Labels that fall off in-field
- Barcodes that fade

**We deliver high-quality, reliable supplies tested for superior performance:**

- Scanability
- Printhead quality
- Adhesive strength
- Environmental resistance
